

Have fun with us!

It may only be April, but school will be out before you know it!

American 1 is getting ready by planning the next American 1 Kids' Fest, an event where local businesses and organizations participate in teaching kids and families about health, safety, art, community, and many other topics through interactive learning. This event will give you the opportunity to impact the children of the Jackson community and to interact with them in an exciting environment. We hope you'll be a part this year's fun!

Kids' Fest will be held on Friday, June 15, from 12 p.m. to 5 p.m. in the American 1 Event Center located at the Jackson County Fairgrounds. We're excited to bring Kids' Fest to the community again and would love for you to participate!

Even if your business or organization does not normally work with children, Kids' Fest is a great environment to familiarize kids with who you are and what you provide to the community. Plus, Kids' Fest costs only \$25 for businesses (to help with event costs) and is FREE for non-profit organizations. All you need to do is provide an interactive game or activity at your booth along with a small prize for each child who attends. We average around 2,000 children in attendance, so your prize can be something like pencils, trinkets, bookmarks or items from Oriental Trading. We'll provide a roughly 10x10' booth area, a skirted 8' table, two chairs, and two lunches!

If you are interested in being a part of American 1 Kids' Fest, please complete the enclosed form and return it to American 1 by Friday, June 1, either by fax, 888-875-9628 or by mail if you are sending payment. Please make checks payable to American 1 Credit Union.

Do you know another individual or business that you think would benefit from being involved? Feel free to pass along the information – the more, the merrier! If you have any questions, please call Jorden at 517-783-9249 or email at jgrffin@a1cu.org.

This is a great opportunity to promote your business or organization and to be involved in your community in a fun, hands-on way!

Sincerely,
