Finance Local and you could save!

Are you thinking about purchasing a new vehicle this spring? Finance with American 1 where rates are starting at 1.59%*. American 1 also offers a collection of protection products to give you peace of mind for your big investment.

Guaranteed Asset Protection (GAP):

Protects you if your vehicle is totaled or stolen. It covers the difference between what you owe on your loan and what the insurance company will cover. For instance, if you owe \$10,000, and the insurance company only pays \$8,000, you would still owe \$2,000 on your loan, but with GAP that would be paid. In addition you would receive \$1,000 toward your next vehicle when you finance with American 1.

Mechanical Breakdown Protection:

Saves you from expensive repair costs. It offers direct payments to the repair facilities, 24 hour roadside assistance, tire protection, rental vehicle assistance, insurance deductible reimbursement, and is offered in four levels of protection.

Life and Disability Protection: If you have an illness that keeps you off work for two weeks or more, or if you were to pass away, the disability and life insurance protection can cover your loan payments, or pay off your loans.

Speak to a member service specialist today for more information.

*1.59% APR listed is based on credit score and term, and is subject to approval. Rate subject to change. Ask for details.
