RE: Direct Deposit and Direct Withdrawal

Dear **Be A Member**,

Thank you for taking advantage of American 1 Credit Union's Direct Deposit and Withdrawal service. This program will help to save you valuable time and I think that you will be very pleased with the service.

For your convenience, all of the information you will need to get your Direct Deposit and Withdrawal service set up is provided below:

American 1 Credit Union's Routing Number: 272481567

Your savings account #: 10000**12345609**

Your checking account #: 18000**12345609**

Your Freedom+ account #: 10100**12345609**

Please have this letter with you when contacting any business to set up the service. This will minimize delays or errors in processing your funds electronically. If you have any questions, please call an American 1 branch office at any time. We are pleased to serve you.

Thank you once again!

Sincerely,

Member Service Specialist

Serving our members since 1950.

Your base account number is 4-8 digits (6 is most common) and never starts with a zero. On your American 1 Direct Deposit Letter, your base account number follows the zeros and does not include the final two digits as indicated above.
