You must maintain a minimum daily balance of \$500.00 in your account each day to obtain the disclosed annual percentage yield.

**Compounding Frequency:** Dividends will not be compounded.

**Crediting Frequency:** Dividends will be credited to your account at maturity. Alternatively, you may choose to have dividends paid to you or to another account every month, every quarter, or semiannually rather than credited to this account.

**Dividend Period:** For this account type, the dividend period is \_\_\_\_\_.

**Daily Balance Computation:** Dividends are calculated by the daily balance method, which applies a daily periodic rate to the balance in the account each day.

**Accrual of Dividends on Noncash Deposits:** Dividends will begin to accrue on the business day you place noncash items to your account.

**Transaction Limitations:** After the account is opened, you may not make additions into the account until the maturity date stated on the account.

You may not make withdrawals of principal from your account before maturity.

You can only withdraw dividends before maturity if you make arrangements with us for periodic payments of dividends in lieu of crediting.

**Time Requirements:** Your account will mature on \_\_\_\_\_.

**Early Withdrawal Penalties** (a penalty may be imposed for withdrawals before maturity): The penalty we may impose will equal 90 days dividends on the amount withdrawn plus the amount of dividends earned on the amount withdrawn in excess of the amount of dividends that would have been earned at the Savings/Share account rate.

In certain circumstances such as the death or incompetence of an owner of this account, the law permits, or in some cases required, the waiver of the early withdrawal penalty. See your plan disclosure if this account is part of an IRA or other qualified plan.

**Automatically Renewable Account:** This account will automatically renew at maturity. You may prevent renewal if you withdraw the funds in the account at maturity (or within the grace period mentioned below, if any) or we receive written notice from you within the grace period mentioned below, if any. We can prevent renewal if we mail notice to you at least 30 calendar days before maturity. If either you or we prevent renewal, dividends will not accrue after final maturity.

Each renewal term will be the same as the original term, beginning on the maturity date. The dividend rate will be the rate we advertise for term share account renewals on the maturity date, which have the same term, minimum balance (if any) and other features as the original term share account.

You will have a grace period of ten calendar days after maturity to withdraw the funds without being charged an early withdrawal penalty.
